DETAILED ACTION

This Office Action is in response to remark filed on 4/26/07.

Claims 1-22, 33-41 have been withdrawn.

Claims 23-32 are pending.

Remark of Applicants has been considered.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Cancel Claims 1-22, 33-41 due to the withdrawal of non-elected claims.

Amend claim 23 as following:

At the end of step (c) of claim 23, add a semi comma (;).

Reason for allowance

Claims 23-32 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed limitations having a method of producing a micro-electromechanical element comprising the following steps, among other steps cited in independent claim 23, connecting the first semiconductor wafer via the first intermediate layer to a second semiconductor wafer in such a way that a hermetically sealed cavity is defined by a recess, thinning one of the

wafers from a surface facing away from the first intermediate layer so as to produce a diaphragm-like structure on top of the cavity, wherein the intermediate layer is structured in such a way that, when the two wafers have been connected, at least two hermetically sealed cavities are defined, which are interconnected by a channel, a respective diaphragm-like structure being arranged on top of each of the cavities.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
